Dear Mom,

Sorry I didn't get your phone call last night. I was sleeping in bed then because I had a high fever, a sore throat, and a terrible stomachache. Dr. Suzuki gave me some medicine and I felt fine now.

I was sick because of my bad living habits. I watched TV until 4 a.m. and went to bed in the early morning. I had cold milk, French fries, sandwiches, and chocolate cake in the morning. Those were too much, right? Besides, I didn't bring an umbrella with me and I was all wet thanks to the heavy rain in the afternoon. I know it always rains a lot in the season in Japan, but I... When I came back to Yuna's place, the world seemed shaking and I felt too hot to say anything.

I really appreciate Yuna because she took good care of me when I got very sick. I decided to change my eating and living habits. It is not easy, but I can make it. How can I do? Don't eat much junk food, have warm drinks in the morning, exercise more, and go to bed before 10 p.m. So don't worry about me. From now on, I need to try hard and have a new life!

Love,
Paul
