Subject: My trip

Dear Beth,

My three-day trip to Matsu was great. I visited two tunnels, and one of them is a place for preserving wine. Its name is "Baba" Tunnel. Baba means eighty-eight in Mandarin. President Chiang Kai-shek was eighty-eight years old when the soldiers finished building the tunnel in 1974. So, the tunnel got its name because of President Chiang Kai-shek's age. The other tunnel is called Beihai Tunnel. This is the biggest tunnel I have ever seen. Visitors can sit on a boat and go inside the tunnel to take a closer look at it. It was really a special experience for me. Visiting the tunnels made me think that the soldiers in the past did a terrific job of building them. It's a place full of surprises and won't let you down.
