Did you have a debate in class? Julia's class has a debate on different topics every week. The two teams talked about the topic on May 7th.

Team A

Kate: The newspaper is not interesting to us. In fact, surfing the Net is more interesting than reading the newspaper. Reading the newspaper is boring to me. I like watching the videos or reading on my cellphone more.

Cody: I need to spend much time preparing lots of quizzes every day. How can I have time to read the newspaper? Forget it!

Quinn: Not everything in the newspaper is true.

Some are misleading. For example, one newspaper said Lisa & Kiki Clothing Shop is going to sell old dresses in June, but it's not true. The newspaper is not as good as many people think.
