Lakeview Restaurant

◎◎◎◎ 125 Reviews

• A Small but Nice Place

(Andrew)

The restaurant is small but nice. It is near the train station with a nice view of Sunny Lake and the mountains. It is a good place for having fun. There is a fish pond behind the restaurant. My children enjoyed watching and feeding the fish there.

• Very Nice Meal

(Lucy)

It is a family-run restaurant. It is famous for its yummy fish and tea cakes. The food is great. There are a lot of visitors here, and they like their meals.

• Cheap but Delicious Food

(Mike)

I really enjoyed the food there. Although we spent two hours driving there, it was worth a visit. By the way, don't believe Google Maps, it won't lead you there. After you drive past the train station, take the second right turn. Drive along the road, and the restaurant will be on your left.

• Too Small and a Long Line

It is a busy restaurant. No smiles or a warm welcome. The food is mediocre. My fish is cold, and there is no flavor. What are the cooks doing? How come the restaurant is so popular? Everything here is terrible.
