題組一

Some interesting facts about Australia.

First, both of them live in the same country. Second, both of their names came from aboriginal languages.

The word "kangaroo" means "... What did you say? The word 'koala' has the meaning of "no drink." Third, both of their babies are very small when they are born. They can be about only 2 cm long. Fourth, both of their babies live in their mother's pouch for several months. They sleep, drink milk, and grow in it. Both the kangaroo mother and the koala mother take good care of their little babies. Last, both of them drink little water. A kangaroo can go for days without drinking water.

Aren't they both interesting animals?

both 兩者 aboriginal 原住民的 born 出生
pouch 袋子
