School Bullying

Bullying is a problem in school. Some students have experienced bullying before. Those students may be scared of going to school.

Bullying is when someone makes you feel bad or hurts you again and again. Calling people mean names, hitting people, laughing at people, speaking ill of people, taking someone's things without asking, and not letting someone play in a group. Now we even have **cyber**bullying, and it happens online. Bullying can happen at any age, anywhere, and anytime. Sometimes it can happen without any reasons. Some students bully others just because they feel powerful and popular by bullying others.

If someone is mean to you, ignore him and show that you don't care about it at all, then he may feel bored and stop bullying. If you really don't know how to do it, you can talk to your teachers or parents. They may help you.
