On a hot day in summer, a rabbit went down to a river and drank some water. The rabbit looked at himself in the water and liked his beautiful long ears, but he wasn't satisfied with his short legs.

After the rabbit drank the water, a tiger jumped on him. With his short legs, the rabbit ran very fast, and the tiger did not catch up with him.

The rabbit was happy because the tiger did not catch him. Ten minutes later, the tiger showed up again. When the rabbit saw the tiger, the tiger caught him by his long ears. That was the end of the story.
