My parents will take me to go adventure this summer, so we are going to a place , we can cook, BBQ by ourselves, and we also have to make fire by myself, and this is my favorite part to sleep outside.

And my mother tells me, before we go, we have to go to supermarket to buy many things, such as food, lighter, and so on.

When we arrived the camping area, we can do a lot of activities. For example, there is a lake where we can stay in the water all day, or we can ride a bike to go around the forest, we also can bring our backpack to walk to the top of the mountain.
